Tues 10 May 2022

7.30 to 8.45pm

Biblical standards are good for all people, for all time. Any society that ignores or rejects them is in grave danger.

We will look at how biblical foundations like the sanctity of all human life and God's design of male and female are being attacked in our nation today. We will think about

current challenges to the freedom to proclaim these fundamental truths. And we will update you on our legal work - supporting believers who face discrimination for following Christ's teaching.

Join us to hear more.

Held at Days Lane Baptist Church
275 Days Lane, Sidcup, DA15 8JX

Speaking at the meeting will be
Senior Researcher Rhys Curnow and
